Mr. Shelmon:

Instruct your client(s) to CEASE all further communication, and to not make direct contact with me again or I will press criminal charges, and file for a protection order. Are we clear? Any communications from them should be directed through you. Are we clear Shelmon?

Your email to Mr. Shelmon does not require a reply and contains threats of a suit that would be considered frivolous. The Sunset Maple Trust 08-13-2019 (SMT) will defend any such suit and seek reimbursement of legal fees. The statute that you cite, IC 30-4-3-6, does contain provisions requiring beneficiaries to be informed by the trustee. However, a) the SMT is revocable, and b) [REDACTED] is not a beneficiary, as he has requested many times. To be clear, [REDACTED] is not entitled to receive any information about the SMT under any circumstances. Both Attorney Shelmon and [REDACTED] have no interest in the SMT and any emails to Attorney Shelmon, or anyone else, pertaining to trust issues will not be acknowledged. A response is not required nor recommended.

Signed,
Richard & Eileen Cook, Trustees
